

## Monitor & Protect Your Property — Anywhere.

Protecting your property, assets, and people has never been more important. Sebelec designs and installs professional CCTV surveillance systems for businesses, remote properties, work sites, community facilities, and homes across Central Australia — delivering clear, reliable monitoring with remote viewing from your phone or tablet, wherever you are.

### Why Choose Sebelec

Licensed Electrical Contractor — Northern Territory and South Australia

Site assessment and custom camera layout design for full coverage

HD and 4K camera systems with night vision and motion detection

Remote viewing setup — monitor live from your phone or tablet

Experience with remote, outback, and harsh environment installations

Clean, professional cable routing and installation finish
